THE AIRPORT INDUSTRIAL PARK

The Airport Distribution Park offers unmatched access to ground and air transportation. The park is located adjacent to Zanesville Municipal Airport. For ground transportation, the park is located just one mile from an Interstate-70 interchange with access provided by a state route

Manufacturing, assembly and distribution companies have found the Airport Distribution Park ideal. Current park tenants include SB's, Atico-Internormen-Filter, New Bakery Company of Ohio, Plaskolite, Ritchey Product Company, SEDIL USA and White Castle Systems.

Sites up to 28 acres are available for lease or purchase. Tax incentives are available for eligible projects through the Ohio Enterprise Zone Program
